PRIVATE CLASS

Private class fee: \$1200 / session

We offer private classes for individuals with one of our teachers. It is an opportunity to have personal feedback which will help to improve your technique in no time and to ask any questions about each exercise without the worry that you are taking everyone else's time. The curriculum is customized and designed to fit your level and needs, after all it is all about you. Our teachers will be more than happy to speed up or slow down the pace to make sure you feel comfortable and that you are reaping the benefits out of each lesson.
